PLEASE SHARE FAR AND WIDE. NO MORE DIRTY DATA CENTERS UP AGAINST HOMES AND RANCHES!! PLEASE TELL EVERYONE TO ATTEND

Springfield Council Data Center Meetings:

Aug 27th 5:30-7:30
DoubleTree Hilton (2431 N Glenstone Ave)

Sep 1st 4:30-6:30
Library Center Auditorium (4653 S Campbell Ave)

The data center on Rifle Range Road in Marshfield has had 2 fire events in the last 3 weeks. Now Trent Overhue, the same developer, wants a 10MW data center by hundreds of homes in Springfield. The time to stop this is now.

I want data Centers stopped everywhere. However, the problem and states like Missouri. There's not a lot of ordinances/laws in place to make these DC's unlawful and they know it. They're coming in and building before any ordinances are passed (that's what happened in Marshfield) and we're stuck with these data centers. I'm not sure how quick a ordinance could be passed and that the city would even want it to pass? They want their revenue. So, as much as people don't want them there's loopholes that allow them to build so what can
