Indicate how documentation of Collateral is provided:

Entered as Text

Description:

Debtor hereby grants Secured Party a continuing security interest (the "Security Interest") in and to all of the Debtor's right, title and interest in and to all of the following, wherever located and whether now owned or hereafter acquired or arising, and all products and Proceeds thereof, (hereinafter called the "Collateral"): All goods, and all parts, accessories, attachments, additions and replacements thereto, including any computer programs embedded in such goods and any supporting information provided with a transaction relating to any program associated with said goods, and also including but not limited to, all inventory (including without limitation goods held for sale, lease, license or assignment or to be furnished under contracts of service and materials to be used or consumed in Debtor's business and all products thereof), acquired by Debtor from Secured Party. All software, including computer programs and any supporting information provided in connection with a transaction relating to the programs, acquired by Debtor from Secured Party. All Debtor's accounts and other rights to payment for the sale, lease, license or assignment of goods, software or services acquired by Debtor from Secured Party. The foregoing Collateral description covers all goods, inventory, software and accounts of Debtor as the same relate to purchases from Secured Party by Debtor.

Indicate if Collateral is held in a Trust or is being administered by a Decedent's Personal Representative:
